Corning Erwin Area Transit Bus Operators will announce all such time points and transfer points listed on public schedules approximately 1/2 half block in advance. Where more than one route serves the same stop, an announcement of that route by the Bus Operator will be made

before the bus departs such point. Such stops are the Corning Transportation Center.

On Request Stop Service - An **On Request Stop Service** is available on selected routes. Places such as nursing and/or health care facilities, schools, apartment complexes, and other institutions have been established as "on request" stops. To use the **On Request Stop Service**, riders can either direct their request to the Bus Operator upon boarding the bus for their trip or by calling our customer service department at 607-734-5211. Phone requests must be made two (2) hours in advance.

Safety Tips - Take your seat as quickly as possible. Never change seats while the bus is moving. Wait until the bus departs your stop before crossing the street. Refrain from engaging in unnecessary conversation with the driver. No pets, except service animals.
